Dear Grand Council Chief Glen Hare:

On behalf of the youth of Beausoleil First Nation, please accept our most sincere congratulations on your election as Grand Council Chief of the Anishinabek Nation. I was pleased to be in attendance on June 6<sup>th</sup>, 2018 in Fort William First Nation to witness this historic event. Your election is a testament to your proven leadership and ability to bring about change across the Anishinabek Nation.

There a number of issues impacting the youth of our community, especially in the areas of health and education. We hope to work with you to see the full and complete implementation of the Anishinabek Education System. Furthermore, you can count on as partners and supporters of the work that you will do as Grand Council Chief.

We are in the process of working with other First Nations in our area to see the standing up of a regional youth advocacy body. This would serve the youth of its member communities, bring attention to pressing issues, and be the voice for youth in the region. We will keep you updated as this process moves forward.

Once again, please accept our best wishes. We know that the Anishinabek Nation is in good hands.

Kind regards and best wishes,

Lance Copegog  
Deputy Youth Chief
