~~Dear Ms. Scotton:~~ *Anne*

I acknowledge receipt of your correspondence, dated June 13<sup>th</sup>, 2018, in response to my inquiry to The Honourable Jane Philpott, Minister of Indigenous Services Canada.

The Beausoleil First Nation Youth Council (BFNYC) is interested in submitting a proposal to the Ministry of Indigenous Services Canada. As you are aware, we serve the youth of the First Nation through representation and advocacy. At this stage in our mandate, we have reached a point where the BFNYC is seeking to establish a full-time secretariat to support the work of the Youth Council, conduct research and develop policy, and focus on the delivery of programs and services.

Youth Chief Terra Roy and I invite you to have a discussion with us on the financial support that we are seeking from your department. Please feel free to contact me via e-mail at [Lance.Copegog@bfnyc.ca](mailto:Lance.Copegog@bfnyc.ca) or telephone at 705-247-2208. Youth Chief Roy can also be contacted via e-mail at [Terra.Roy@bfnyc.ca](mailto:Terra.Roy@bfnyc.ca).

We thank you in advance for your review and consideration of this matter.

Kind regards,  
BEAUSOLEIL FIRST NATION YOUTH COUNCIL

Lance Copegog  
Deputy Youth Chief
